AMENDMENT TO VETERANS’ SUPPORT REGULATIONS 2014: STATEMENTS OF PRINCIPLES

Proposal

1. This paper seeks agreement to the amendment of Schedule 1 of the Veterans’ Support Regulations 2014 (the Regulations) which lists the Australian Statements of Principles that apply for the purposes of the Veterans’ Support Act 2014. Amendment is required to revoke and replace 30 Statements of Principles.

Background

2. In deciding claims for entitlements under the Veterans’ Support Act 2014 (the Act), Veterans’ Affairs must assess whether a veteran’s medical condition is linked to qualifying service. Statements of Principles are one of the mechanisms under the Act for establishing this causal link. They have been specifically developed for the most commonly claimed conditions that are service-related.

3. The Statements of Principles are determined by the Australian Government Repatriation Medical Authority and regularly reviewed and amended. New Statements of Principles are introduced based on medical-scientific evidence linking the condition to service.

4. New Zealand adopted the Statements of Principles under Schedule 1 of the Regulations. In accordance with section 23 of the Act, I must decide if the Australian revocations and replacement Statements of Principles should apply in New Zealand based upon advice from Veterans’ Affairs and the independent Veterans’ Health Advisory Panel.

5. Cabinet previously authorised [CAB-16-MIN-0131] that the Minister for Veterans will issue instructions to the Parliamentary Counsel Office to draft amendments to Schedule 1 of the Regulations to effect revisions to the Statements of Principles, without further reference to the then Cabinet Social Policy Committee, unless a significant issue relating to the Statements of Principles revisions arises.

Proposed Regulatory Amendment to Revise Statements of Principles

6. Between September 2018 and January 2019, Australia revoked and replaced 30 Statements of Principles. I have decided, on the basis of advice from Veterans’ Affairs and the Veterans’ Health Advisory Panel, that the changes are based upon sound medical-scientific evidence, that they can be linked to a veteran’s qualifying service and that they are suitable for use in New Zealand. None of the changes will make it significantly harder or easier to link the veteran’s condition to service or are likely to result in significantly higher
numbers of successful or failed claims. The Statements of Principles in question are listed in Annex A.

7. Any changes to a Statement of Principles, either through amendment or revocation, will not impact on any entitlement or service that has previously been granted under the Act.

**Timing and 28-Day Rule**

8. It is intended that the Veterans’ Support Amendment Regulations (No 2) 2019 will come into force on 9 May 2019, thus complying with the 28-day rule.

**Compliance**

9. The proposed amendment to the Regulations to replace Schedule 1 complies with each of the following:

   9.1. the principles of the Treaty of Waitangi;

   9.2. the rights and freedoms contained in the New Zealand Bill of Rights Act 1990 or the Human Rights Act 1993;

   9.3. the principles and guidelines set out in the Privacy Act 1993;

   9.4. the relevant international standards and obligations; and

   9.5. the Legislation Design and Advisory Committee Guidelines (2018) which are maintained by the Legislation Design and Advisory Committee.

10. In accordance with section 23 of the Act, before reaching my decision that the 30 Statements of Principles should be revoked and replaced, I received a report from Veterans’ Affairs and independent advice from the Veterans’ Health Advisory Panel. Both recommended the adoption of the proposed changes.

**Regulations Review Committee**

11. There are no grounds for the Regulations Review Committee to draw this regulation amendment to the attention of the House under Standing Order 319.

**Certification by Parliamentary Counsel**

12. The draft Regulations amendment has been certified by the Parliamentary Counsel as being in order for submission to Cabinet.

**Impact Analysis**

Publicity

14. Veterans’ Affairs will publish the changes on its website.

Proactive Release

15. I intend to release this paper in full.

Consultation

16. The Treasury and the Ministry of Social Development were consulted in the course of developing the policy and amended Schedule 1 of the Regulations.

Recommendations

17. I recommend that the Cabinet Legislation Committee:

1. **Note** that, in accordance with section 23 of the Veterans’ Support Act 2014, I have approved the revocation and replacement of 30 Statements of Principles relating to conditions that may be causally connected to a veteran’s qualifying service.

2. **Note** that Cabinet authorised [CAB-16-MIN-0131] the Minister for Veterans to instruct the Parliamentary Counsel Office to amend Schedule 1 of the Veterans’ Support Regulations 2014 to effect revisions to the Statements of Principles without further reference to the then Cabinet Social Policy Committee.

3. **Note** that the amendment of the Veterans’ Support Regulations 2014 gives effect to the decision referred to in recommendation 1 above.

4. **Agree** that the amended regulations come into force on 9 May 2019, thus complying with the 28-day rule.

5. **Authorise** the submission to the Executive Council of the Veterans’ Support Amendment Regulations (No 2) 2019.

Authorised for lodgement

Explanatory note

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations, which come into force on 9 May 2019, amend the Veterans’ Support Regulations 2014 (the principal regulations).

These regulations amend Schedule 1 of the principal regulations, which lists the Australian statements of principles that apply to specified medical conditions for the purposes of the Veterans’ Support Act 2014.

The amendments—

• replace references to the Australian statements of principles with updated references for 11 conditions; and

• replace the names and references to the Australian statements of principles with updated names and references for 4 conditions. The renamed conditions are Dupuytren disease (formerly Dupuytren’s disease), human immunodeficiency virus infection (formerly human immunodeficiency virus), human T-cell lymphotropic virus type-1 infection (formerly human T-cell lymphotropic virus type 1), and non-Hodgkin lymphoma (formerly non-Hodgkin’s lymphoma).

Issued under the authority of the Legislation Act 2012.
Date of notification in Gazette.
These regulations are administered by the New Zealand Defence Force.
