

**As part of this year's Anzac Day commemoration on 25 April the New Zealand Defence Force (NZDF) invites students in Year 6 to 10 to enter Operation Kiwi.**

#### **HOW TO ENTER**

Design one of the following:

1. a memento of New Zealand for NZDF personnel overseas to remind them of home. This can be in the medium of your choice (drawing, painting, collage etc) but please no items larger than A3 size.
2. a piece of equipment that would make life easier for NZDF personnel currently working overseas. You don't have to make the object just design it on paper and explain what it does and why.

Your design could be something medical, mechanical, electrical, something to add to a ration (food) pack, a piece of clothing, a new piece of technology – it's up to you and your imagination.
