Dear [REDACTED]

I refer to your email of 25 July 2024 seeking copies of finalised reports referenced in a Devonport Flagstaff item that stated:

A New Zealand Defence Force team from Wellington is spearheading a multi-disciplinary group working on the master plan, which will consider current buildings, security requirements and climate-change impacts at the base. Its first reports are expected in June 2024.

I apologise for the length of time it has taken to provide this response. Enclosed is a copy of the *Interim Asbestos Refurbishment and Demolition Survey Report Officers Training School*. The names and contact details of New Zealand Defence force staff are withheld in accordance with section 9(2)(a) of the Official Information Act 1982 (OIA) to protect privacy.

Yours sincerely
