Dear D. Greenhalgh

I refer to your email of 29 April 2025 requesting, under the Official Information Act 1982 (OIA), the following information in relation to fire appliances and ambulances based at NZDF installations:

- A fleet list of all fire appliances/firefighting vehicles across NZDF bases in New Zealand
- A fleet list of all ambulances/medical vehicles across NZDF bases in New Zealand

If possible, please may these fleet lists include:

- Vehicle make and model
- Vehicle's normal location
- The unit/formation responsible for operating the vehicle
- Any identifying numbers/callsigns assigned to the vehicle (e.g; I am aware that many RNZAF ambulances are marked with numbers, such as 36, 37 etc.)

Relevant information pertaining to your request is enclosed. A breakdown of this information by unit is withheld in accordance with section 6(a) of the OIA as making this information available would be likely to prejudice the security or defence of New Zealand by divulging sensitive information concerning capability. Where there are no call signs associated with an appliance, ambulance or vehicle, or one is not known, this is left blank.

You have the right, under section 28(3) of the OIA, to ask an Ombudsman to review this response to your request. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Please note that responses to official information requests are proactively released where possible. This response to your request will be published shortly on the NZDF website.

Yours sincerely

GA Motley
Brigadier
Chief of Staff HQNZDF
