Dear D Greenhalgh

I refer to your email of 17 July 2025 requesting, under the Official Information Act 1982 (OIA), the following information:

*A list of all trade and qualification badges worn by sailors, with images if possible.*

*An explanation of the difference in size and number of stars/crowns between badges of the same trade.*

A table of the current rank, trade, and qualification badges worn by enlisted Royal New Zealand Navy (RNZN) personnel is at Enclosure 1. Some badge images are currently under review and are not available. The location and number of stars displayed on the badges worn by enlisted personnel is contained in the enclosure. A hierarchy of ranks and further examples of trade insignia images are available on the NZDF website<sup>1</sup>. The names on the images of name badges in the enclosure are withheld in accordance with section 9(2)(a) of the OIA, to protect privacy.

*A list of all branch badges worn by officers, with images if possible.*

The branches available to RNZN officers are: Seamanship; Hydrographer; Pilot; Observer; Operational Support; Marine Engineer; Weapon Engineer; Supply; Administration; Education; Legal; Psychology; Construction Engineer; and Medical. No images of officer branch badges are available. Officer Specialist badges, where available, are contained in the enclosure.

You have the right, under section 28(3) of the OIA, to ask an Ombudsman to review this response to your request. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or freephone 0800 802 602.

Please note that responses to official information requests are proactively released where possible. This response to your request will be published shortly on the NZDF website, with your personal information removed.

Yours sincerely

**GA Motley**
