Dear D Greenhilgh

I refer to your email of 8 February 2026 requesting, under the Official Information Act 1982 (OIA):

- *A list of all of all the different categories of vehicle (e.g. MHOV, LOV, LAV, MBAFC, DFA, RFA, ARA, MRV etc.) in use in the defence force, including combat, garrison and training support, and staff vehicles.*
- *For each of these categories, what make(s) and model(s) of vehicle currently fulfil this role, and if they are planned to be replaced.*
- *A photograph of each type of vehicle, if held.*

Enclosed is a list of vehicle information that is readily available from New Zealand Defence Force (NZDF) databases. Vehicle photographs are included where possible. Details on vehicles that would prejudice the security and defence of New Zealand are withheld in accordance with section 6(a) of the OIA.

You have the right, under section 28(3) of the OIA, to ask an Ombudsman to review this response to your request. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Please note that responses to official information requests are proactively released where possible. This response to your request will be published shortly on the NZDF website, with your personal information removed.

Yours sincerely

GA Motley
Brigadier
Chief of Staff HQNZDF
