OIA-2026-5814

23rd July 2026

[REDACTED]@parliament.govt.nz

Dear [REDACTED]

I refer to your email of 21 May 2026 requesting, under the Official Information Act 1982 (OIA):

I request the following information under the OIA, covering the period 27 November 2023 to the date of this request, unless otherwise specified.

- 1. A list of all flights on RNZAF aircraft (including but not limited to the Boeing 757s) carrying the Prime Minister or any other Minister of the Crown. For each flight, please provide: a. Date(s) and route/destination; b. Aircraft type and total flight hours; c. Operating cost for the flight; d. The Minister(s) on board; e. The total number of passengers; and f. A breakdown of passengers by category — ministerial staff, officials/public servants, other Ministers, MPs, media representatives, business representatives, and any other category (please specify).*
- 2. The current policy and any related guidelines governing charges to non-government passengers (including media and business representatives) travelling on RNZAF aircraft with a Minister or official delegation. Please include any changes to this policy since 1 January 2023.*
- 3. For the period covered by question 1, the total value of any charges raised against non-government passengers for travel on RNZAF aircraft, the total amount actually paid, and the total amount outstanding.*
- 4. The total value of any charges for travel on RNZAF aircraft by non-government passengers that remain unpaid as at the date of this request, including amounts relating to periods prior to 27 November 2023. A breakdown by flight or by financial year would be appreciated.*
- 5. In relation to flights carrying the Prime Minister on RNZAF aircraft during the period, please confirm whether members of any accompanying business delegation were charged for their travel and, if so, the total amount charged and the total amount paid.*

The requested information for question 1 is enclosed. The provision of air, land, and sea transport for members of the Government and guests of the State is covered by Output 4.4. New Zealand Defence Force (NZDF) costs are met from within operating expenses set through Vote Defence Force. The NZDF does not charge non-government passengers travelling with a minister or official delegation. The NZDF covers aircraft operating costs, but

non-government passengers, including media and business delegates, are required to cover their own food and accommodation costs while on the ground. These costs are not held by the NZDF.

You have the right, under section 28(3) of the OIA, to ask an Ombudsman to review this response to your request. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Please note that responses to official information requests are proactively released where possible. This response to your request will be published shortly on the NZDF website, with your personal information removed.

Yours sincerely

GA Motley

Brigadier

Chief of Staff HQNZDF
