OIA-2026-5964

12th October 2026

Dear [REDACTED]

I refer to your email of 1 September 2026 requesting, under the Official Information Act 1982 (OIA), information about suppliers to the New Zealand Defence Force (NZDF) and *information ordinarily held in [the NZDF] contract-management and financial systems.*

The Relevant Period: the six financial years from 1 July 2020 to 30 June 2026 (FY2020/21 to FY2025/26 inclusive).

Part A — Contract information

For each contract between your agency and any of the Suppliers that was either entered into, or in force, during the Relevant Period, please provide from your contract register or contract-management system:

Contract title and a brief description of the goods or services;

Total contract value at signing;

Start date and end date, including any rights of renewal (and whether these have been exercised).

Part B — Actual expenditure

For each of the Suppliers, please provide total actual payments made by your agency in each financial year of the Relevant Period, as recorded in your finance/accounts-payable system. I understand this is ordinarily obtainable as a standard vendor-spend query, and ask that each supplier's payments be reported against each name variant under which they appear in your creditor records.

Information for Parts A and B of your request is provided at Enclosures 1 and 2 respectively. The NZDF's general ledger holds five years of data. With respect to Part B, information cannot be provided for the 2020/21 financial year as it is now archived and no longer readily retrievable.

Contract entries recorded with a value of \$0 or \$1 have been excluded. This primarily removes overarching arrangements, such as master services agreements and panel contracts, while retaining individual engagements made under those arrangements. This approach helps avoid double counting expenditure. A small number of historical contracts are also excluded where the value was not recorded at the time of signing and does not reflect the contract's actual value

You have the right, under section 28(3) of the OIA, to ask an Ombudsman to review this response to your request. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Please note that responses to official information requests are proactively released where possible. This response to your request will be published shortly on the NZDF website, with your personal information removed.

Yours sincerely

GA Motley

Brigadier

Chief of Staff HQNZDF

Enclosures:
